

Council Duds Greenwell Point Again!

Column 3

We were very fortunate to have Jo Gash MP, Shelley Hancock MLA and Clr Gareth Ward, all in attendance at our May meeting.

The hot topic was that Council's Management Plan for the next three years has virtually nothing in it for Greenwell Point (\$202,000 in 2007/2008, \$600,000 in 2008/2009 and **ZERO** in 09/10).

President Ron Vaughan noted that even on the most conservative estimate, Greenwell Point contributes in the order of over \$500,000 per annum in land rates alone. He stated that he believes Greenwell Point is seen by Council as an island, and the only funding gain for the area is from State or Federal budgets.

On discussion about slippage of GTTP issues in SCC funding, Shelley said that as the squeaky wheel gets the oil, GTTP needs to be more vocal and keep up the

pressure.

Draft Plan Management meetings should be attended, as these have influence on budgets.

Jo agreed with Shelley that ideally, Greenwell Point should have its own Councillor. Gareth Ward said that he was happy to help with any Council issues even though this is not his ward.

He again encouraged people to attend the Management Plan meetings, as Council's budget is \$220m and it has 900 staff, so GTTP should have a say. Gareth suggested asking other Councillors to attend GTTP meetings, and even to change the meeting night to meet their convenience. Greenwell Point in fact has four Councillors although we only ever seem to see Paul Green!

Having just returned after a six-week visit to Sydney, I was thrilled to find that Shoalhaven City Council's Draft Management Plan 2007—2010 had been released for public comment.

With trembling fingers I paged rapidly through the tome, eagerly searching for references to our village and the projects we could look forward to seeing proceed.

It is my sad duty to report that this year's daft (*sic*) plan follows the tried and tested path followed by its predecessors. Most significantly, commencement of the long awaited boat ramp reconstruction has again been put off for another year. In the previous edition of the Management Plan, some \$200,000 was budgeted for the boat ramp in 2007-2008. Guess how much this has been reduced to in the latest edition of the plan. Here's a clue—it's a number less than 1!

That's right folks, no money at all for the boat ramp for another year (at least). How many more times do we have to see Council adjust their priorities at our expense.

It's time to take some action. We need more people to attend the monthly Get to the Point Programme Meetings so that council can see that there is genuine community concern about their arbitrary decisions. We need people to contact Councillors to express their concerns. Write a letter, give them a phone call, make your views heard!

On the positive side, reports are that Council has completed the detailed design work for the boat ramp, and a range of options will be revealed in a public consultation meeting to be held shortly. Stay tuned for details, and make sure you don't miss this one.

OK—there is some money in the budget for Titania Park, and there is some money for further foreshore remediation works. BUT, in the approved 2004-2007 Plan there was supposedly enough money in the budget to have COMPLETED the boat ramp THIS financial year! Where did it go?

The Greenwell Point Boys and Girls have done it.

The Biggest Morning tea was a great success again.

Fifty ladies and 2 men were in attendance to talk, eat, gossip and buy lots of raffle tickets. With 34 prizes up for grabs, there were lots of happy faces at the end.

Cash donations also came from people who couldn't attend. Our Greenwell Point Fishing Club donated \$100.00, and The

Greenwell Point Women's Bowling Club also donated \$100.00. Thanks must go to the ladies who slaved over hot stoves to make the lovely slices, cakes, etc. and to Shazza's Bistro for the plates of sandwich's— (and they didn't last long DID they guys) and the bowling club for the use of the facilities. I can't forget the

Some of the guests at morning tea

people who gave goodies for the Raffle which all adds up to help raise \$1019.00 (not bad hey!) for Cancer Research.

Well, we will all do it again next year but don't you fellas sit at home! It's not a disease on our own. Men you can get cancer too.

Watch our for the "Pink Ribbon Day" Bash in October.

Thanks again from Denise.

DON'T PAY TAX

The School P & C Building Fund is raising money for a new canteen kitchen, which will cost around \$4000.00. so far.

DONATIONS ARE 100% TAX DEDUCTABLE: don't pay the tax man.... We get so little of it back!

Cheque or cash, a return envelope for receipt, to the School or P.O. Box 43 Greenwell Point 2540; cheques made payable to G.P.P.S P & C Building Fund...

Scouting about With Julie Brown

WOW!!! What a day, Bagheera (Rae Woods) & the cubs had at CAMDEN Airport. Earning their Flight Badge while having fun. But there was a little bit of theory to do as well. The highlight of the day was a flight in a 4 Seater Cessna, flying all over Camden & Warragamba Dam. Seeing how low the dam is gave an insight to how the drought is affecting us all, and helps us understand why we should be careful as to how we use our water and not waste our precious resource. The other great activity was making a model plane.

Gee, sounds like Cubs have heaps of fun, and so can you,

Want to join in?

If you are 7.5 years plus, just come along to the Scout Hall, Greens Road on Thursday Night at 6.30 pm or ring me on 44471693, or see the back page of the Gazette...

Hope to see you soon.

JINDYANDY MILL

New Bigger Lolly Shop

As a result of the success of the original Lolly Shop, a new larger store has been opened in the adjacent building. Stock has increased considerably, and the metre-long-sherbet-tubes are finally back in stock for the kids. There is also a wide range of garden ornaments, jewellery, toys and gifts, in both the old and new store.

The Museum is beginning to take shape in the old shop with any local memorabilia welcome for display.

'JINDYANDY' will host the Shoalhaven Vintage Machinery Club Display on Saturday June 9th from 9am to 4pm with many old machines on display as well as Stalls, Tea, Coffee, Sausage Sizzle.

Do bring the family along for a picnic, and browse the shops and beautiful grounds while seeing lovingly restored and maintained early machines. Other very exciting news for Jindyandy, is the establishment of a new Christmas Shop by Wally and Shirley Schlick, in the old pottery building. It will be a large beautifully dedicated Christmas shop. It is the first one in our district and will be sure to attract a lot of visitors from all over the region, bringing more business to everyone. We all wish Wal and Shirley the best, and are sure it will equal their magnificent Scrapbooking Superstore already in the Old Mill Building.

Christmas shop will be opening on Saturday of the Long Weekend.

The Scrapbooking Store will be Clearing selected paper and card ranges at 50cents per sheet, beginning the long weekend.

Computer Tips

Electrical Storms

Would you walk out into the open during an electrical storm, waving a golf club over your head?

Most people would say no to this, and laugh at the thought of any one being so silly. I assure you, people still persist in using their phones, computers and connecting to the internet during electrical storms, which is just as dangerous. It only takes seconds for a lightning strike to go through the electricity mains of your telephone line, and destroy your computer and / or your hearing if you are on the phone at the time.

What About Being Online In A Storm?

It's not a good idea. As with most electrical devices during a storm, you should not be near them. It is dangerous to use electrical or phone equipment during a thunderstorm. Your computer falls under both of these categories.

What Do I Need To Know About Lighting And My Computer?

Lightning may easily damage any and all computer equipment, even if you have surge protectors or power back up devices. Lightning contains enough voltage to go straight through some surge protectors and right into your computer. Modems can not handle extra energy.

How Do I Protect My Computer?

The easiest way to protect your equipment is to completely unplug the computer AND the telephone line. This means unplugging all the cords and removing them from the outlets. This will reduce the risk to your equipment as only a direct hit is likely to cause damage.

Whether you have an internal or external modem, you should unplug the telephone line from the modem. If you are not sure where your modem is, follow all the cords that look like telephone lines into the back of your computer, and unplug the line.

Disclaimer: There is no guarantee the above actions will protect you or your computer hardware from all effects of lightning. There will always be a risk of damage to you or your computer, equipment despite the best of precautions

G.P. Women's Bowling Club

Our first big tournament for 2007 was the Master Triples event, held over the weekend of 31st March and 1st April. This was a very successful event, being played in beautiful weather and having two full greens. We appreciate the Club for sponsoring this tournament, The winners were 1st Bomaderry 4+38, 2nd Wiseman's Park 4+34, 3rd, St John's Park 4+31, 4th Warilla 3 1/2+17, and 5th Nowra 3+36.

Bomaderry Bowling Club conducted a tournament over the Easter Long weekend. Debby Wilson was defeated in the semi-final of ladies singles, and was beaten in the final of the mixed pairs where she played with Brian Rosen. The Pennant Season, though it started earlier this year, was affected by wet weather delays, but finally a result was reached. Our Greenwell Point No.1 team was very unlucky to be beaten by

1 point into runners up to St Georges Basin. Maybe the Pennant will be ours next year. Our No2 and No4 teams had mixed fortunes, and came in the middle of the ladder during these Pennant games. We visited many other clubs in the district and enjoyed the friendship of their ladies.

Four teams from G.P. played in Lyrebird Shield at Nowra. This was won by Culburra. Debby Wilson has won 5 consecutive games, one more and she has earned herself another badge!

Megan Gale has notched up 3 in a row in the Princess of the green.

The Club has completed two championships to date. The Minor Singles was won by Jan Wallbridge, Runner-up was Mary walker.

The Club championship singles was won by Debby Wilson from Fay Franklin. This final had everyone enthralled as the game see sawed from end to end. The score was 30-30 going into the last end when Fay managed to get the shot by a whisker- a great game from both ladies.

We had 5 teams entered in the James Wall Shield in late April. It was won by Bomaderry.

We also had 5 entrants in the District Singles. Congratulations to Gwenda Burgess who made it through to 1/4 finals. Meg McClure from St Georges Basin was the winner.

Some of the ladies are travelling to Malua Bay for their Open Triples Tournament, which was won by Greenwell Point last year.

District Pairs begin 28th May and 9 teams are entered from Greenwell Point

. On Tuesday 29th May rounds, 3 and 4 will be played on our greens, so come along, relax and watch the games.

Our A.G.M. on 15 May.

The following were elected for 2007:-

- President Gwenda Burgess
- Vice Presidents Karen Richardson, Stella Tucker
- Secretary Megan Gale
- Treasurer Nancye Carre
- Bowls Organiser, Jan Wallbridge
- Selectors:(5) K Innes, R Pennay, N Watts, M Young, & D Medcalf
- Publicity Officer Kim Rudd
- Welfare Officer Gail Kiggins
- Delegates:—Meegan Gale, Gwenda Burgess, Kay Innes, Peg Downton, Photographer Di Medcalf.

Leone Gee has decided to retire from her position as Treasurer after 10 years of controlling the Purse-strings, a job she's done extremely well. I'm sure the new ladies will work with the 'old' ones to make our Club a happy and successful one. One change some of you might notice is that we have gone uni sex—but only with our new Bowls Shirts!

Both the Men's and Women's Clubs are wearing the same design shirts. This looks particularly effective when playing in mixed games in uniform, as in Mixed Pennants currently being played around the district.

Monthly report from Greenwell Point Hospital Auxillary

As usual our small group held their monthly meeting in the Community Hall at Greenwell Point.

Plans were made for the stall to be held in the Hospital Foyer to promote Mother's Day. This was very successful and well patronized by the staff, patients and visitors.

On the following Monday evening, a dinner was held in the Greenwell Point Chinese Restaurant also to celebrate Mother's Day. Sixty people attended the evening and enjoyed the meal prepared by Ken & Judy. We held our usual raffle with loads of prizes,

mostly donated by Patron Bev, and had several lucky door prizes.

The two events helped to boost our funds by over \$1000.00 which we were extremely pleased with.

This of course would not have been possible without our members being generous with their baking, craft and numerous donations. A special thank you goes to our other group of supporters for the donations they freely give us.

Without the help from Kay Ward, Margaret Binskin Joan Russell, Rene Riley and Lorraine, and Bonnie, our task would be much greater to achieve.

Thank you everyone.

During the month of June, our Patron Bev and Secretary Dianna will be attending both the Conference hosted by Port Kembla U.H.A. and the Shellharbour U.H.A. birthday party at Warilla Bowling Club. These days are enjoyable as we catch up with other U.H.A. members and swap fundraising ideas as well as renewing old acquaintances. Our next meeting will be held on

Hosp Aux. members working the stall at the Hospital

Below Guests at the U.H.A. Mothers day Dinner

Thursday 7th June in the Community Hall at 2.30pm. Hope you can join us. If you would like to become a member simply come along and introduce yourself.

Health And Community Care

HACC partly funds Greenwell Point Meals-on Wheels, who make home style meals for community members who need this service. It can be short term, after a stay in hospital, or on a regular basis. Meals are not usually frozen.

New clients or their carers may phone Graham on 444703585 or the Zone Co-ordinator, Janet on 44225111 to ask about this service.

New volunteers are most welcome to help with food preparation in the hall kitchen on Mondays, Wednesday or Fridays. Regular relief helpers are scarce in the winter months. Rostered places are filled when vacancies occur. This commitment is for about two hours once or twice a month.

Relief delivery volunteers to go with regular drivers are needed. Training for this work is given before you begin.

Phone Ann on 44471853 for more details or to ask for an application form, phone Laine on 44470085.

Next Meetings in the Hall at 1.30pm, Monday June 18 and Monday July 30.

Greenwell Point Fishing Club

The Fishing Club held its outing week-end on the 19th/20th May with weigh-in on Sunday afternoon 20th May. Even though the sun shone, the strong westerly winds made those who went out and fished search for sheltered waters. There were some quality fish presented, but none better than by Doug Kaszonyic winning the Men's Deep Sea Section and the Largest Fish category with a couple of large blue groper with one being 7.5kg.

Next outing will be on 16/17 June with this being the last outing for the 2006/2007 fishing season. Names on list for catering.
