## CORAL TREE LODGE CELEBRATES

Column 3

Coral Tree Lodge was opened by Bernie and Vera Goode as a camping ground in the sixties. It had a swimming pool 10m x 20m in size, with a slippery dip. This camping area grew into a 120 site park with 22 self contained units, after Doug and Beverly Griffin purchased the park in the early 1970's. A shop and games room were added, as well as an office and extension of the residence. In 1979, there was a change of ownership, and in 1982, John and Vera were employed as managers. More changes took place, and sewerage came to the village. All new pipe work was installed throughout the park and eventually, all sites had sewerage and sullage available. CTL with their own pumping station, was one of the first to plug onto sewerage in Greenwell Point. Then sealed roads were built throughout the park, and permanent living increased from 1 to 30, with relocatable homes coming into the park. Recently 2 storey relocatables were introduced for this unique alternate lifestyle. Waterfront facilities with boat ramp, jetty with floating pontoon, and swimming pool are very popular. Continuing changes and refurbishment in the units brought our rating up considerably with Park 2006 rated 3\* and units up to 3 - 1/2\*, with lots of interesting challenges along the way.

The park community is very close-knit. In fact it is a community within a community, with everyone ready to help each other.

Many people from CTL are involved in community projects, such as meals on wheels, hospital auxiliary, senior citizens, bowls, tennis and naturally fishing, with their own facilities on site.

John and Vera would like to take this opportunity to thank their family, residence patrons, staff, community, local businesses and trades that have worked with them, and supported them throughout these years, making Coral Tree Lodge what is today. John and Vera have been at Coral Tree Lodge for 25 years, 18 years as managers and 7 years as owners. They have now taken a step back, moved into their new design relocatable on the waterfront in the park, and, employed managers Martin and Jenny Henderson, who have many years of experience.

Congratulations to John, Vera and family, for 25 years of service to Greenwell Point.

*John and Vera opening gifts from their residents*

Skate boarders and BMX youth of Greenwell Point, other towns and villages in the Shoalhaven are getting skate parks, so if you want to burn energy and hone your skills, let's hear if you want to push for a skate park. Drop your suggestion at the Post Office box 68. But there's more—the woes of winter with pool closed and water too cold in river for water activities, youth of the village turn to skate boards and bikes. But alas, no skate park, so central Greenwell point has been besieged by boards and bikes, oblivious to their owners, they are creating a hazard to pedestrians and motorists, as well as to themselves.

Yes, it's cool to cycle and skate helmet free, but one crack on the skull is all it takes. Helmet laws for cyclists are enforceable, so helmets on both cyclist and skaters, and save your brains to ride another day.

Recurring vandalism to the community hall and local shops is attracting attention towards the gathering. repairs to the hall come indirectly out of your parents' pockets, so give a thought instead, to help make Greenwell Point a proud village and keep graffiti away.

## Greenwell Point Boat Ramp

Joanna Gash, Member for Gilmore, has announced \$271,550 in funding for five projects in Gilmore under the Australian Government's Recreational Fishing Community Grants Program (RFCGP). The Gilmore projects include **\$100,000 to upgrade the Greenwell Point Boat Ramp**, \$80,00 for the Nelligen Boat Ramp and \$10,000 for the Royal Volunteer Coastal Patrol at Bateman's Bay.

Mrs Gash said the Gilmore projects are among 110 projects across the country sharing almost \$4.4 million funding from round 5 of the RFGGP.

"It has been a highly successful program and has helped deliver welcome resources and fishing infrastructure to our community.

Recreational fishing is an important part of the social and family fabric of Australia, and I'm proud the Australian Government is able to support this activity in such a practical way." Joanna says.

"Groups such as fishing organisations, community groups and clubs will benefit from the grants, as will the keen angler and those who only fish occasionally."

## Greenwell Point Men's Bowling Club Has Great win in Zone final

The Greenwell Point Pairs Team of Rod and Ryan Loosemore, took out the zone pairs final at Tathra defeating another father and son team from Bateman's Bay, Mark and Doug Ebsworth. They will now go on to contest the State Finals later in the Year.

The next day they teamed up with Max Vorminster and Dennis Skinner in the zone fours final. In very trying conditions with constant drizzle and cold winds, they went down in the semi-final by 2 shots to a strong team from Bateman Bay who went on to win the final. The strength of the south coast district within the zone, was highlighted with the south coast winning all but the fours in the zone championships.

2007 has been a remarkable year for the men's bowling club attributed to the club secretary, who is a very competitive bowler at top level. With his skills, he has developed a great team of bowlers and have achieved a level of success never seen at Greenwell Point. The team comprises of Dennis Skinner, Rod Loosemore and Ryan Loosemore (Greenwell Point) and Pat Duke from Nowra. For the first time in the history of the tournament, a team from the south coast district took out the South Pacific Fours Championship contested at Wollongong.

On the pennant scene, we managed to enter 2 teams in the number 2 and number 5 pennant competition. We easily won the number 2, going through undefeated, but stumbled in the zone playoff to Narooma. The number 5 did not fare so well, but were competitive. 2008 will see us into the number 1 and number 5 pennant. The Secretary manager, Dennis Skinner was runner up in the district singles.

The Coral Tree Lodge prestige triples will be played on the 18th 19th and 29th September. This tournament attracts some of the best bowlers in New South Wales, all trying to get their share of the \$7000.00 prize money. Bowlers are needed for both social and competition. If you are interested see Dennis for a game..

## Greenwell Point School ...

The best little school in Greenwell Point is going well. Mrs Janine Hopwood is principal at least till the end of the year. The School has recently had to buy new furniture; desks, tables, computer chairs. So everyone is now sitting properly

The P&C has just refitted the canteen kitchen with lovely new cupboards, benches, fridge, sinks etc. It was an expensive exercise, but well worth it.

We have planned a mega working bee for the 15—16 Sept. in conjunction with the South Nowra Rotary Club. Rotary clubs are a wonderful group, made up of people from all different walks of life. They give to the community, by undertaking all sorts of projects. It is a wonderful way to meet people and be constructive. Please consider joining us on the 15—16 Sept at the school, it will really make a difference.

After revamping the canteen and kitchen, the P.& C. needs to replenish the bank account. Donations to the school building fund are 100% tax deductible and all donations go directly to making a difference at the school.

To fund raise we are holding our annual **Trivia Night on Saturday 6th October** at the Community Hall. **Tickets are \$25.pp** which includes dinner. The Theme this year is "Mardi Gras" a night in New Orleans, a celebration. Please get a table together (max 8 per table) or join a table on the night. Fun, colour, and good food!

**Tickets available from the school during Sept. or from Kate 44470115**

*(It would be lovely for the community to join in on these two events for the school)* -editor

## Greenwell Point Auxiliary Of Culburra & Districts Community Health Service. PRESIDENT'S REPORT

It gives me much pleasure to present my first President's report. I would like to thank June, Secretary Doris, and all members for their friendship and support through the year. Our lone male member, Lionel, has efficiently run our most successful fundraiser throughout the year. We have eleven lady members and Lionel.

Sadly, we recently lost our past President Dawn Ryan. Dawn was also Vice President in the past year. Her friendship will be sadly missed.

During the year, both our past Hon. Auditor, Mrs Jean Smith, and Mrs Audrey Carol who had been our initial Treasurer in 1976 passed away. Our sympathies are extended to their families. Our social outings included the AGM at Culburra, a Nutrimetics Party, a "thank you" luncheon at Callala, a luncheon at Nowra Golf Club to commence our financial year in lieu of a Christmas Party, the United Hospital Auxiliary Greenwell Point Christmas afternoon tea, and the Mayor's Morning tea.

We had also assisted Jeanette with the stall at the Culburra Beach Bowling Club Ladies Day. We had a visit from a representative from Illawarra Health, who gave a presentation on organ and tissue donations which was particularly informative. We always enjoy afternoon tea after our meetings on the third Thursday in the Greenwell Point Memorial Community Hall at 1.30pm. We often play HOY. Visitors are always welcome. I would like to thank the Greenwell point residents who help us with our fund raising. - Clare Smith
