

## GREENWELL POINT PUBLIC SCHOOL 2008

The 2008 School year began as any other year; full of excitement, what with long holidays, renewed friendships and new faces.

Welcome back to the teachers and staff who make our school community a wonderful place to grow and learn.

Welcome to the new families in our town. We are very proud of our school, its students and the importance of a small public school in our community.

We welcome the involvement of the community in our school, and hope you can join us on the third Wednesday of the month at 3.15 pm in the library, for the P. and C. meeting.

We have new school shirts, a refurbished canteen, and hope for some more playground improvements in the near future.

We need people to help with reading, canteen and fundraising activities, there's something for everyone...really !!

A special note for ex-students and friends, nobody should ever be bored when there is so much to be done.

Whatever your school experiences, you could be involved in the improvement of the facilities at GPPS.

Opportunity exists for those who can see it

During the year we had a working weekend at the school with South Nowra Rotary Club. We are hopeful to have another working weekend soon, to fix the playground. If you would like to help, you can contact the school on 44471379, or the P.C Secretary on 44470115.

### Swimming news

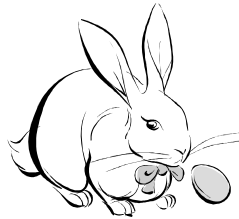

Hayley Williams was placed second in Shoalhaven Swim Competition 10 years age Backstroke for Greenwell Point School, and next Friday she will represent Greenwell Point School in the Regional Swimming Carnival at Dapto.

Good Luck Hayley!

### EASTER FETE

Saturday 22 March 8—12 midday  
at the Community Hall.

This event raises money for local charities and community groups, and is a traditional fair, please give it your full support. For any enquiries, contact Kate Carr 4470115.

Stall holders will be able to set up on Friday afternoon.

Jumping castle, fairy floss, lucky dips, plants, bric- a- brac and many more attractions. Donations can be left at the hall on the Friday afternoon.

### Summary of Minutes GTTP Meeting

21/02/08 held in the Community Hall  
Confirmation of minutes from previous meeting.

Treasurer's Report was presented.

#### General Business:

**Greenwell Point Sign** has been erected and funded by GTTPP at a cost of \$1518.00, of which only \$200.00 has been contributed by the community.

**Tennis court resurfacing**— Darryl Mc Lean has obtained 2 quotes. David Mc Corkell moved a motion that GTTPP contribute up to \$5,000 to get the courts resurfaced, and that GTTPP approach Council to negotiate for their contribution. Seconded Marilyn Delaney. Motion accepted.

**PCB Meeting**— Ron Vaughn advised that the agenda for the meeting included boat ramp discussions, and work along the waterfront. Titania Park-no response, Notification of Development for Boat Ramp, Anzac Park still under construction— rock wall along front completed.

**Boat Ramp:** David McCorkell advised that the notification of development has been forwarded to residents of GP, and submissions must be received by c o b 4th March 2008. Tenders will be called, and construction could be as early as June 08.

**Anzac Park:** Concrete blocks have been moved, and are situated near the wharf end. Although temporary, with modification, they may stay.

**Lawn Mowing.** David McCorkell advised that Council has indicated that the agenda for mowing is as follows: 30 times a year, rest of reserve 17 times (continued page2)

**Column 3** (continued from P1) a year, and no mowing between August and September.

#### **New Business Arising**

**Vandalism:** All misdemeanours should be reported. Residents should contact the Police Assistance Number 13144. Not only vandalism, but any inappropriate behaviour involving motor vehicles should also be reported.

#### **Renewal of Registration of Business Name:**

Laurel Kennedy proposed a motion that we renew the business name "Greenwell Point the Seafood Centre of the South Coast" at the cost of \$107 for 3 years. Seconded by Marilyn Delaney; Motion carried.

#### **Drainage Problem:**

The meeting discussed the problems residents are having when flooding occurs to properties in Adelaide Street, Comerong Street and Greens Road. It was advised that all residents should address these matters to the General Manager at Council. GTTP will also write a letter to Council, addressing the problems.

#### **Annual School Fete:**

The Annual School Fete will be held in the Community Hall on Easter Saturday from 8am until noon.

#### **Australia Day Clean Up:**

This will happen 2nd March and no notification has been received.

#### **State of Local Roads:**

West Street near boat ramp needs resurfacing. Greenwell Point Road near the Culburra turn off is also in bad repair and signage at this turn off needs to be clarified. A letter from GTTP will be forwarded to Council.

#### **Tourism Board:**

If anyone is interested, there are 4 vacancies...

#### **Notice Board:**

Nothing has happened: no funding available.

#### **Council Correspondence.**

Council sent a letter asking whether electronic information would be more convenient. It was discussed and decided that GTTP would continue to accept paper copies only.

#### **Fishing Platform:**

Re Wheelchair access: Council has advised that when Titania Park is completed, the platform will be done.

#### **Rabbits:**

New program coming up in March, May and June.

#### **Webpage:**

Council would like to know whether we would like to contribute.

Meeting closed 08.35pm

**Next Meeting: Thursday 20th March 2008 at 7.00pm**

#### **FROM THE NOVEMBER MEETING**

Greenwell Point is in Ward 2. Our Councillors, Peter Murphy, and Jim McCrudden were invited to our November Meeting. This was principally to enable us to put some of our concerns regarding improvements to our village. Both Councillors accepted, with Clr Murphy attending after spending the day standing in for the Mayor. Clr McCrudden however, failed to attend.

The issues raised with Councillor Peter Murphy (and mailed to Clr McCrudden) were as follows, and include their current status:

#### **SHOALHAVEN RIVER ESTUARY MANAGEMENT PLAN:**

What is Council's rationale for rejecting the adoption of this plan? It had been recommended for adoption by the Shoalhaven River Natural Resources and Floodplain Committee. It is understood that this committee is formed from persons within the City who have both an interest in the River and expertise in the areas of interest of that Committee's charter. The Committee participated in both the development and review of the Management Plan over a number of years.

#### **PROPOSED BOAT RAMP AND PARKING AREA:**

Support was sought for the pursuance of a grant from NSW Maritime, and the funding of this project by Council for construction in the commencement of the 2008/09 financial year. As advised in the November Gazette, NSW Maritime has granted \$200,000 towards this project making a total of \$300,000 of grant funding, which is matched by Council for a total of \$600,000.

In December 2007, I received notice that Council had approved the Development Application subject to a number of conditions. These included an amendment to the parking area plan. Council has now issued a revised Notice of Application for Development Approval, reinstating the original parking area plan. I have contacted Council in an attempt to understand the process, and although the Council officers were most helpful my mind is not up to understanding it! Tender documentation is being prepared, with construction planned to commence once the relevant issues are resolved.

#### **TENNIS COURT:**

Action was sought regarding resurfacing of the tennis court. Council has agreed to resurface the court on a \$1 for \$1 basis, and at our February meeting it was agreed that the Get To The Point Programme would contribute up to \$5,000 towards this project.

#### **TERARA STREET:**

Greenwell Point has been most fortunate to have a first class Pharmacy open and the old general store refurbished to become the Friendly Supermarket. These welcome services have generated increased use of Terara Street which is in need of significant repair, and the construction of a turning circle, in order to eliminate the need for vehicles to turn on the residential nature strips. Support for this work is sought.

#### **COMERONG STREET**

##### **DRAINAGE:**

Funding is sought to progress the drainage works, as it is understood that a "solution" is under design.

#### **GREENWELL POINT MASTER PLAN:**

The GTTP Programme actively pursued the development of the Master Plan that was adopted in 2006. The bank stabilization has been progressing, and is now approximately 75% complete. Significant items not yet programmed for which support is sought are: Landscaping/beautification of Greenwell Point Road,

Completion of bank stabilization and The landscaping of the Reserve including the bike/walking track.

I understand that Council has recently sought funding for some of this work from the Federal Region Assistance body.

## ROUND AND ABOUT

### ANZAC PARK:

Good to see that local contractors TCL Contracting (Kate and Jim Carr), won the contract for this work, and that all should be ready for Anzac Day. The two large cylindrical blocks from the old structure have been relocated to a position between the toilet block and the main wharf, where they may remain, and so provide an entrance feature to the future bicycle/walking track.

### LAWN MOWING:

Following two weddings being held on the Reserve's long grass area near the new fishing platform, Council have advised that their revised mowing regime will see Titania Park mowed 30 (thirty!) times a year and the Reserve 17 (seventeen!) times a year with no mowing in August and September.

### VANDALISM etc:

Again! It is of real benefit if all misdemeanours not requiring immediate police attendance are reported eg damage to property, stealing, break and enter, lost property, hoonish driving, speeding etc. Phone the Police Assistance Line 131444. You do not have to give your name but the time and place of the "offence" is recorded in order that "hot spots" can be identified, and appropriate action taken.

### NAVIGATION HAZARD:

The mound of rock/oyster shells in the estuary near Haiser Road, has been reported to NSW Maritime.

## Greenwell Point U.H.A.:

Monthly Report from Greenwell Point United Hospital Auxiliary:

Ten members braved the terrible weather conditions on Thursday 7th February, to attend the first meeting for 2008. This included our newest member Jenny, who joined us on the day. Apologies were received from nine of our members, including two of our ladies who were in hospital. We hope they will soon be on the road to recovery and back with us.

Dates have been organized for up and coming fundraising events throughout the year. These will be published at a later date, when they have been confirmed.

A trophy was purchased for the first baby born on Australia Day this year, and goes to Navron John Innes.

Navron is the great grandson of the late Alice Innes, who was at one time our President and also secretary for many years.

Items have been ordered for us to purchase for the hospital, one of which will be donated in the name of the 2007 Trivia winners, "the Bedpans". We only had six teams competing at our Trivia Night last year, but all were enthusiastic and enjoyed the evening, thanks to the Bowling Club and our jovial MC, Rob Crawford.

Our next meeting will be at 2.30 6th March. Hope to see you there.

**BOWEL SCAN KITS**

Rotary Bowel Scan 2008 starts on March 8th. Kits are available for sale from your local Greenwell Point Pharmacy at \$8.00. Kits will be collected by Rotary, so you just have to deposit them back at the pharmacy. Bowel Scans are recommended for people over 40 on an annual basis.

These are a valuable detection aid; see you at Greenwell Point Pharmacy, 1 Terrera Street Greenwell Point. If you cannot make it down ring us on Telephone 44470773.

**Letter to the editor**

This is to express our thanks to the local people of Greenwell Point. The goodwill and hospitality which was extended to us when we had Greenwell Point as our port of call, and indeed port of shelter during the first week of

January.

We sensed a strong feeling of welcome from the moment we pulled up our dinghies on the little, almost private beach, at the river-bank. We were offered freshwater from the locals' garden-taps, and when a lady carried out two reclining chairs for us to sit on and served cold drinks, we were speechless.

All in all the local people were outstanding, as when inviting us to their home on Orient Point for coffee, and viewing of the condition on the entrance-bar to the river, which was our concern and reason for our extended stay.

With such attitude from the people of Greenwell Point, we would like to come back. All the best, and many thanks from the crew of nine yachts from The Royal Prince Alfred Yacht Club Newport.

**Scouting about** *With Julie Brown*

Our open day was a tremendous success with a number of children now starting cubs. Several expressed interest from scout aged children.

Sadly though, we as yet don't have a Scout leader, so surely there is someone out there who can give some time to the youth of Greenwell Point. Congratulations must go to Rae Woods (Bagheera), for her dedication and commitment for keeping the Group opened over the last twelve months against all odds.

A big thankyou must go to the people who came and helped on our big day: Julie Barr, Jo Coleman, Bill Heiler and George Mc Donald—Bill and George also kindly gave us a donation, which is greatly appreciated. Margaret McArdle kindly cooked some lovely scones and banana muffins, which went down as a treat.

We were having so much fun we forgot to take photos of the children enjoying making their pet rock and clucking chickens.

**What 's Been Happening**

Our Chinese New Year's night went over two nights, with great success and lots of fun.

On the first night we had lots of fun and yummy food as we made dragons and decorative plates to celebrate the Year of the Rat.

The second night we finished off our celebrations with fried ice-cream and prawn chips at the Chinese Restaurant, and we must say a BIG thank you to Judy and Ken Lee.

Founders Day was another fun filled day, with lots of activities; with Sam Coleman and Jack Klausen found the flying fox and canoeing the highlights of the day.

Our outdoor cooking night was a learning curve, with the cooking of sausages, potatoes, chocolate bananas and marshmallows over an open fire. Even the disasters got eaten. Ha! Ha!

Another big adventure still to come is the "Head of the River, where they can fish, swim and possibly canoe.

At Easter Saturday Fete, the scouts will be involved with a raffle and yes, a guessing competition.

Although threatening, the weather was kind for the Wollongong Veteran car club's day out. The club enjoyed a picnic lunch at the historic Jindyandy Mill.

Members spent a couple of hours browsing the various shops.

The hostess Sally Marshman said, ' It was great to have visitors enjoying themselves after so much recent rain.'

Wollongong members also showed an interest in the historical memorabilia on display in the small museum.
