## ANZAC PARK GREENWELL POINT

Anzac Park at Greenwell Point has always been a popular place. Every year on the 25th April the Anzac Dawn Service is held at the park, when people remember the sacrifice made by our servicemen and women.

The park is also popular the rest of the year because of its beautiful location.

Shoalhaven City Council (SCC) have commissioned the refurbishment of the park, including a new monument, paths, lights and seating. Local Greenwell Point company, TCL Contracting Pty Ltd successfully tendered for the project designed by Kay Murray, of SCC.

Photo at right shows Kay Murray, Des Beveridge also of SCC and Jim Carr (of TCL). This project has also had input from the RSL Club.

The Monument is made of impressive sandstone blocks that will have the message "Lest We Forget" on them. The paved steps are now in place, and the pathways are progressing.

There has been a lot of interest from the community in the progress of the work. The students from Years 1 and 2 at Greenwell Point School have investigated the work and were able to witness a concrete truck in action, as part of their research into occupations and how people work together.

We are all immensely proud of the project, of how it looks and what it stands for. We encourage all the community to share in that pride and protect it. Please consider attending the dawn service on Anzac Day. Please also consider taking time to visit the park on completion. Enjoy the view and the facility that is our Anzac Park.

**Bank Restoration**

On 12<sup>th</sup> March Dave McCorkell attended a meeting of the Shoalhaven River Natural Resources & Floodplain Management Committee and was pleasantly surprised to be informed that Stage 4 (the final stage) of the River Bank Restoration was to be underway in the next couple of weeks. The area concerned extends from the recently completed work near Church Street to Albert Avenue. Two fishing platforms similar to the one at the northern end of Titania Park will be constructed, at each end of this work.

GTPP Minutes continued from Page 3

Also in the near future, landscape work will be carried out to the northern end of the Swimming Pool, and, the section of Titania Park near the Children's Playground. It is being eroded by stormwater from the car park and will gain some rock protection. In addition a concrete pad will be constructed to enable wheelchair access to the fishing platform.

**Anzac Park** – Jim Carr has done an excellent job in Anzac Park after a tentative start due to heavy rain. The work includes the first section of the bike/walking path as shown in the Master Plan. The sandstone for the feature wall has been delivered and will be placed by Greenwell Point stonemason.

**New Boat Ramps and Parking Area.** Council advises that tenders will be called in approximately 2 weeks.

**Vandalism.** All misdemeanours should be reported. Residents should contact the Police Assistance Number 131444 and report all incidents, not only vandalism, but any inappropriate behaviour involving motor vehicles and alcohol related incidents.

**Renew Registration of Business Name.** Registration Certificate has been received, and Vera Farnham will place a copy of the certificate in the notice board outside the RSL Hall.

**Drainage Problem.** Letter was sent to Council.

**State of local Roads.** The road outside the Pharmacy has been made safe.

**Tourism Board** – Vera Farnham has been approached by the Tourism Board to produce a brochure on Greenwell Point. Vera will liaise with local businesses for financial assistance.

**Webpage** – Graham Bannister has updated the webpage which can be accessed at <http://www.greenwellpoint.info/> The website contains a lot of information and is updated regularly. Graham has done a great job but unfortunately, he will soon be leaving us. Dave McCorkell will continue updating this website.

**Council Correspondence.** It was discussed at this meeting that not enough notice is being received for attendance at meetings. Notice of meetings is being received on the day they are being held.
