Financial Report:

General Business:

- A presentation to the winner of the Children's Competition was made to Holly Wilson for her poem which was printed in the July Gazette.
- It was suggested that a letter be sent to the Board of the Bowling Club to ask the Club to appoint a representative to attend the GTTP meeting and to inform us the consultative body of Greenwell Point of the happenings of the club and maybe address the meeting
- Fishing table has been funded by the Fishery's Dept. for Greenwell Point and Council has accepted the money. Still awaiting reply to GTTP letter of 7 September 2006.

- A letter is to be sent to the General Manager of Shoalhaven City Council re the Mayor's substitute for the attendance of the GTTP meeting. Cllr John Anderson apparently had short notice to attend and was very vague on the concerns of Greenwell Point.
- The poles have arrived for the Crookhaven Reserve. Laurel Kennedy contacted Council to thank Glen Elliott who was successful in procuring the poles. Stands for the poles are now required and it was agreed to organise a working bee to show our community spirit of Greenwell Point.
- The volunteer insurance has been paid
- The Shoalhaven Volunteer Marine Rescue Association open day will be held on 26/10/06. Stalls on that day will raise funds for marine rescue. GTTP will have a stall.
- An enquiry was made by the Bowling Club to Shoalhaven City Council offering to subsidise extended hours for pool opening for Boxing and New Year's Day. No decision was available.
- Ron Vaughan obtained an update from the Secretary Manager of the Bowling Club re their progress with redevelopment of Club and adjoining property for a retirement village, and advised that an expression of interest has been advertised in the Telegraph, Mercury and South Coast Register for week ending 18 November. It is anticipated that future plans for the Club will be developed for presentation to Club members in the first quarter of 2007.

Meeting closed 8.15pm.
