Confirmation of Minutes

Minutes of the September Meeting –Accepted George McDonald, Second Patricia Llewellyn.

Correspondence – Inward

1. SCC Boat Ramp Cleaning Advice
2. SCC Contributions Plan 2010
3. SCC Draft Bike Plan
4. Combined CCB Executives Meeting with Council

Correspondence – Outward

1. Gazette
2. Advice to Telstra to start community engagement process re: Telstra Tower

Treasurers Report

Treasurers Reports was tabled

General Business

Telstra Tower

Telstra tower community engagement process is to begin in coming months, more information to come from Telstra at a later time

Crookhaven Drive Reserve

The community Petition about the regulations for the use of Crookhaven Drive to be sent to Council by residents, it was made known to attendees that GTTP did not at any stage want to restrict access to the reserve or sand boat ramp, but to prevent hoons from ripping up the reserve, council said that bollards would not be possible, GTTP dropped the issue 2 years ago.

Terrara Street

Ongoing business with council, GTTP still working with council on this issue.

Insurance

GTTP insurance is due again, \$948.00 is this required? Lets ask the question at Combined CCB Meeting

Gazette

The Gazette is written as a volunteer publication and relies on input from residents, if a story or facts are incorrect GTTP is happy to make corrections and appreciates letters and input from residents.

Roads in GWP

Roads around GWP seem to be getting worse, on the corner of Greens Rd and GWP road, this corner is dangerous as motorists continue to cut the corner, can we get a silent cop or similar to help stop motorist from cutting the corner, this would improve the safety on the corner, GTTP to investigate options with council.

Shoalhaven Heads Taskforce

Still underway, funding from state not forthcoming as yet, the taskforce is still working hard for a resolution to issues.

Meeting Closed

Next Meeting 21th November
