Bank Statement #65		\$4800.22
Income	\$1207.00	
Expenses	<\$1232.00>	
Balance		\$4775.22

ON GOING BUSINESS

GTTPP GAZETTE – Editor is always looking for any new information, stories, and photos. Please email these to or post to PO Box 68, Greenwell Point 2540. Please make sure you supply your name and address and advise if you require the return of any of your memorabilia.

Foreshore – Fresh Erosion. Bank is falling away in sections along the reserve. – Letter to be submitted to council. - Ongoing.

Community Sign for Greenwell Point. More discussions were held to look at the viability of a sign on the approach to Greenwell Point detailing a directory of what is available in the village. Ongoing.

Solar Lighting – Pathway. The committee has been successful in achieving funding for some Solar Bollard lights to illuminate the pathway between the Pontoon & Albert St. They will now be installed by GP Volunteers around November.

Community Development and Support Expenditure Scheme. What is it? This scheme is designed to ensure that larger registered Clubs in NSW contribute to the provision of front-line services to their local communities; and to ensure that the disadvantaged in the community are better positioned to benefit from the substantial contributions made by those clubs. Grants of up to \$5000 could be available to improve and support your community. Council has sent a letter advising that this will be advertised around March each year.

Telstra Park – Cnr of Jervis Street & Greenwell Point Road. Ongoing discussions to have this area landscaped and seating provided.

Letter sent to SCC and an outcome from Council dated 19/10/10 was received advising that the request has been referred to the Noxious Weeds Officer to remove the privet growing towards the Council Seat.

T-Shirts – Now Available at the Gallery Shop at a cost of \$30.00 each.

Visibility at intersections. Intersection of Greens Road & Greenwell Point Road – visibility is restricted and hazardous. Also trees are hanging onto the road near the intersection of Jervis Street & Comerong St. Council will be asked to clear these problem areas up.

Council advised that the outcome of a tree inspection at the intersection of Greenwell Point Rd & Greens Road determined that under pruning of the growth is warranted. It is envisaged that this identified work will be carried out prior to 30 November 2010, weather permitting.

A request has also been referred to the Basin Parks Supervisor to prune back the vegetation to ½ metre height to improve the line of sight from the ‘giveaway’ sign to towards the boat ramp.

NEW BUSINESS ARISING

Lighting for area at toilet block, car park and play-area in park. A concern has been raised with the behaviour of persons. Vandalism of garbage bins (set alight) drinking in the park, loud behaviour is causing disruption and concern to holiday makers and permanent residents. Suggestion was raised for more lighting within this area to deter this behaviour taking place and for residents and visitors to feel safe and secure at Greenwell Point.

Meeting closed at 08.35pm

Next meeting – 18th November 2010
